

The 1 Week Content Plan

Seven days of posts that earn DMs, not just likes.

Pick one customer per post and answer one thing they care about. Here is a week you can steal and repeat.

THE WEEK

Monday	A question customers always ask, answered properly.
Tuesday	Behind the scenes: prep, packing, setup.
Wednesday	One product or service up close, with the price.
Thursday	A real customer moment, with permission.
Friday	A myth in your industry, busted.
Saturday	Something local: your island, your street, your view.
Sunday	Rest, or repost your best performer.

EVERY POST ENDS WITH ONE NEXT STEP

- 2 Write 12 post ideas, 4 per theme.
- 3 Batch photos in one session.
- 4 Keep what gets DMs, cut the rest.

DO THIS TODAY Write next Monday's post now: the question you were asked most this week, answered.
