

The Story Angle Finder

Find the angle only you have.

Nobody writes about a business that gives them no reason to. Answer these five questions and one angle will jump out.

THE 5 QUESTIONS

- 1 What do you do that nobody else in your area does?
- 2 What surprised you most since you started?
- 3 Is there a number you are proud of: customers served, years open, kilos roasted?
- 4 Is there a local problem your business quietly solves?
- 5 Who is the person behind it, and why them?

TURN IT INTO A PITCH

- 1 One line subject: the angle, not your company name.
- 2 Three short paragraphs: the story, why now, why it matters locally.
- 3 2 or 3 good photos attached, plus your phone number.
- 4 Send to the right 20 names, not 200.
- 5 Follow up twice, then learn and move on.
