

The Direct Booking Page Checklist

Guests book where they understand the price.

Guests come from many countries. A page in their language with clear rates makes booking direct easy.

THE CHECKLIST

- ☐ Rooms with real photos, sizes and what is included.
- ☐ Rates shown clearly, in the guest's currency where possible.
- ☐ The site in your guests' main languages.
- ☐ A reason to book direct: best rate, free transfer, early check-in.
- ☐ Booking with a deposit, plus WhatsApp for questions.
- ☐ Your Google Business Profile linked to it.

PICK YOUR LANGUAGES

- 1 Look at where your last 50 guests came from.
- 2 Pick the top 2 or 3 languages.
- 3 Translate rooms, rates and booking first. The rest can wait.

DO THIS TODAY Check your past bookings for guest countries. That decides your languages.
