

The Event Page Outline

Flyers get forwarded. Pages get RSVPs.

Your event deserves more than a flyer in a group chat. One link answers everything.

THE PAGE, TOP TO BOTTOM

- 1 Event name, date, time and venue at the top.
- 2 One line on why someone should come.
- 3 Lineup, schedule or menu.
- 4 Map and how to get there.
- 5 RSVP or ticket button.
- 6 Photos from last time, if there was one.

BEHIND THE PAGE

- ☐ Count your RSVPs in real time.
- ☐ Send a reminder the day before.
- ☐ Collect emails for next time.

DO THIS TODAY Write the one line on why someone should come. Everything else follows it.
