

The One Page Site Outline

One story, one button, live fast.

Most visitors read one page. Make it the right one.

TOP TO BOTTOM

- 1 Hook: what you do and who it is for, in one line, plus your main button.
- 2 Proof: a real review or your rating.
- 3 What you offer: 3 to 6 items with prices or starting prices.
- 4 How it works: 3 simple steps.
- 5 Details: hours, location, map, FAQs.
- 6 The same main button again, then contact.

THE RULE

One button, repeated 3 times: top, middle, bottom. Same words, same colour.

DO THIS TODAY Write your one line hook. Then the rest of the page writes itself.
